## School Accountability Report Card

### Reported Using Data from the 2011-12 School Year

### Published During 2012-13

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

### EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2011-12)**

This section provides information about the school, its programs and its goals.

---

#### Principal's Message

As parents and community members read this report, what will emerge is a picture of a school community that is committed to providing a student-centered educational environment with the expectation that all students focus on reaching their learning potential. We are an effective school with a strong academic focus and a commitment to continuous improvement; a positive and safe learning environment, with a staff that is professionally skilled and personally committed to meeting the learning and emotional needs of students; and a student body that works to meet expectations and perform at its highest level of academic competence.

Our staff strives to instill in ALL students the desire to become lifelong learners, while demonstrating that education is essential to their lives. It is our goal that all students reach a level of skills and knowledge that will enable them to participate productively in an ever changing world.

#### School Mission Statement

The mission of El Tejon School is to provide a program that meets the individual educational needs of each student in a safe and positive environment with the goal of preparing each student to be a confident and productive citizen.

### **Opportunities for Parental Involvement (School Year 2011-12)**

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

---

Professional development throughout the El Tejon Unified School District is structured around the goals and objectives outlined in the school site's Single Plan for Student Achievement. Training and curriculum development revolves around the California Content Standards and frameworks, and is focused on student and teacher needs. For the previous three school years, two days were dedicated for staff development. During the 2008-09 school year, two staff development days were held, covering topics including:

- Differentiated Instruction
- Instructional Strategies for All Students
- Emergency Preparedness and Safe Schools

This year, the district's professional development focus will be on Data Analysis, Student Engagement, Analyzing and Increasing Rigor in Curriculum, and Formative Assessment to guide instruction.

Administrators have trained in Professional Learning Communities, and will guide teachers in working collaboratively on data analysis, improving student achievement, pacing calendars and grade level standards alignment.

The El Tejon Unified School District supports the efforts of all teachers—new and veteran—to gain the experience, knowledge and skills to be effective leaders in the classroom through a range of programs. Formative Assessment for California Teachers (FACT), a State-sponsored program, is designed for first and second year credentialed teachers and provides skills assistance and reflective practices that are implemented over a two-year period. All staff members— both certificated and classified—are encouraged to attend professional workshops and conferences. Opportunities for observations of best practices is promoted within the District, and at school sites outside of the District that are demonstrating success in closing the achievement gap for all students. New teachers, experienced teachers, teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Kern County Superintendent of Schools Office, as well as continuing education opportunities offered through local colleges and universities.

## III. School Climate

### School Safety Plan (School Year 2011-12)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Students and staff participate in regularly scheduled fire, disaster training, and lockdown drills. The Kern County Fire Department assesses the adequacy of emergency procedures and conducts yearly school safety inspections, all in accordance with a comprehensive School Safety Plan developed by a committee of staff and community members, which is updated annually. Additionally, El Tejon School and all schools in the El Tejon Unified School District now participate in a statewide emergency drill known as the "Great Shake Out."

Included in the School Safety Plan is a specific Emergency Plan that addresses emergency preparedness, and is in compliance with California Standardized Emergency Management Systems (SEMS). This plan was developed in cooperation with local officials, and includes specific courses of action to be taken in case of an emergency. Emergency supplies are kept in each classroom, and schoolwide emergency supplies are also maintained in a shipping container on campus. These plans can be found in the school office at El Tejon School, online at [www.eltejon.org](http://www.eltejon.org), and also at the school district office. All plans were last reviewed and updated on November 14, 2008.

On a daily basis, yard and cafeteria supervision is provided by both classified and certificated personnel. In order to provide maximum security for all students, all visitors must report to the school office to obtain visitor passes.

### Suspensions and Expulsions

Rate*	School			District		
	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12
Suspensions	14.73	22.51	14	29.08	21.92	16.52
Expulsions	0	0	0	0	0.26	0

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

## IV. School Facilities

### School Facility Conditions and Planned Improvements (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

---

**Year and month in which data were collected:** December 2012

El Tejon School was built in 1939. A clean, safe, and orderly environment for all students and staff is a priority at El Tejon School. Twenty-six classrooms are utilized by students on the campus, including a computer lab, library, cafeteria, and a gymnasium.

The District maintenance staff and site custodians maintain the campus, buildings, and grounds. To maintain a safe and healthy environment, all custodians and maintenance staff receive training in general maintenance procedures, handling hazardous materials, safety procedures, playground equipment safety checks, and work safety issues.

The custodial/maintenance staff consists of 3 part-time custodians, one part-time groundskeeper, and one part-time maintenance worker, whose hours are staggered throughout the school day as well as before and after school hours. All of the custodians are also part-time bus drivers for the school district.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The principal also works regularly with the custodial staff to develop cleaning schedules that ensure a clean and safe school.

Student safety on campus is vitally important. There is always staff supervision on the playground 20 minutes before school begins in the morning, during all recesses, and in the cafeteria at lunchtime. Staff supervision of bus loading and unloading before and after school is always provided.

In 2005, local voters approved Bond Measure E, which will replace portable buildings with fully equipped permanent classrooms. Architectural planning and site preparation studies are currently in progress. Both bond and State-matching funds will be used to accomplish these projects. New classroom project is still under consideration.

### School Facility Good Repair Status (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

System Inspected	Repair Status				Repair Needed and Action Taken or Planned

## V. Teachers

### Teacher Credentials

Teachers	School			District
	2009-10	2010-11	2011-12	2011-12
<b>With Full Credential</b>	14	12	9	34.5
<b>Without Full Credential</b>	0	0	0	0
<b>Teaching Outside Subject Area of Competence</b>	0	0	0	---

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2010-11	2011-12	2012-13
<b>Misassignments of Teachers of English Learners</b>	2	0	0
<b>Total Teacher Misassignments</b>	2	0	0
<b>Vacant Teacher Positions</b>	0	0	0

\* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

### Core Academic Classes Taught by Highly Qualified Teachers (School Year 2011-12)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
<b>This School</b>	89.13	10.87
<b>All Schools in District</b>	86.76	13.24
<b>High-Poverty Schools in District</b>	86.76	13.24
<b>Low-Poverty Schools in District</b>	0	0

\* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

## VI. Support Staff

### Academic Counselors and Other Support Staff (School Year 2011-12)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	
Counselor (Social/Behavioral or Career Development)	0.0	---
Library Media Teacher (Librarian)	0	---
Library Media Services Staff (Paraprofessional)	0	---
Psychologist	.33	---
Social Worker	0	---
Nurse	.10	---
Speech/Language/Hearing Specialist	.33	---
Resource Specialist	0	---
Other	0	---

\* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

## VII. Curriculum and Instructional Materials

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012-13)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

**Year and month in which data were collected:** February 2012

The El Tejon Unified School District adheres to the State of California curriculum adoption cycle, and teachers, parents, and administrators collaborate to select appropriate quality textbooks from a State approved list. According to this system, each major subject area has new textbooks every seven years. New language arts textbooks were adopted and implemented in fall 2000, and new mathematics textbooks were adopted and implemented in 2008.

Supplemental instructional materials, including library books, sets of core literature books, math manipulatives, calculators, and science materials have been purchased with both district and supplementary funds. Each student has access to his/her own copies of the standards aligned textbooks and instructional materials.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Houghton Mifflin (4-5) Adopted 2003  Holt, Rinehart and Winston (6-8) Adopted 2003	Yes	0%
Mathematics	Harcourt (4-5) Adopted 2008  Prentice Hall (6-8) Adopted 2008	Yes	0%

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Science	Scott Foresman (4-5) Adopted 2007  Glencoe (6-8) Adopted 2007	Yes	0%
History-Social Science	Harcourt (4-5) Adopted 2006  McDougal-Littell (6-8) Adopted 2006	Yes	0%

Visual and Performing Arts			

## VIII. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2010-11)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$6,156	\$1,579	\$4,577	\$60,601
District	---	---	\$5,947	\$60,786
Percent Difference: School Site and District	---	---	-29.9%	2.8%
State	---	---	\$5,455	\$57,948
Percent Difference: School Site and State	---	---	-20.4%	7.0%

\* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

\*\* **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

### Types of Services Funded (Fiscal Year 2011-12)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

These programs and services are provided at the school either through categorical funds or other sources that support and assist students:

- Title I (Basic Grant)
- Title II (Teacher & Principal Training & Recruiting)
- Title IV (Safe and Drug-Free Schools and Communities)
- Economic Impact Aid/Limited

English Proficient (EIA/LEP)

- Gifted and Talented Education (GATE)

Formative Assessment for California Teachers (FACT)

- Peer Assistance and Review (PAR) Program (ELAP)

Community-Based English Tutoring (CBET)

- School Improvement Program (SIP)

Special Education

TUPE (Tobacco Use Prevention Education)

- AB 1113 School Safety & Violence Prevention

### Teacher and Administrative Salaries (Fiscal Year 2010-11)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$38,043	\$38,099
Mid-Range Teacher Salary	\$56,805	\$55,582
Highest Teacher Salary	\$73,221	\$71,884
Average Principal Salary (Elementary)	\$81,506	\$88,790
Average Principal Salary (Middle)		\$93,519
Average Principal Salary (High)	\$93,555	\$95,671
Superintendent Salary	\$114,452	\$115,401
Percent of Budget for Teacher Salaries	30%	34%
Percent of Budget for Administrative Salaries	6%	7%

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>.

## IX. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

### Standardized Testing and Reporting Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced								
	School			District			State		
	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12
English-Language Arts	48	56	52	46	50	50	52	54	56

History-Social Science	37	49	41	38	45	42	44	48	49

\* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Standardized Testing and Reporting Results by Student Group - Most Recent Year

Group	Percent of Students Scoring at Proficient or Advanced			
	English-Language Arts	Mathematics	Science	History-Social Science
All Students in the LEA	50	35	53	42
All Student at the School	52	31	72	41

Two or More Races	57	37	75	46
Socioeconomically Disadvantaged	41	19	53	28
English Learners	14	14		
Students with Disabilities	28	20		
Students Receiving Migrant Education Services				

\* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### California Physical Fitness Test Results (School Year 2011-12)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	12	21.3	41.3
7	16.7	20.5	50

\* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at <http://www.cde.ca.gov/ta/ac/ap/>.

### Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2009	2010	2011
Statewide	5	4	5
Similar Schools	1	1	2

### Academic Performance Index Growth by Student Group – Three-Year Comparison

Group	Actual API Change		
	2009-10	2010-11	2011-12
All Students at the School	-11	42	-26
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	-14	46	
Native Hawaiian/Pacific Islander			
White	-7	37	
Two or More Races			
Socioeconomically Disadvantaged	-5	38	-21
English Learners			
Students with Disabilities			

\* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

### Academic Performance Index Growth by Student Group - 2012 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2012 Growth API at the school, district, and state level.

Group	2012 Growth API					
	School		District		State	
	# of Students	Growth API	# of Students	Growth API	# of Students	Growth API
All Students at the School	207	750	680	746	4,664,264	788
Black or African American	0		0		313,201	710
American Indian or Alaska Native	1		1		31,606	742
Asian	0		1		404,670	905
Filipino	0		0		124,824	869
Hispanic or Latino	32	664	129	703	2,425,230	740
Native Hawaiian/Pacific Islander	0		0		26,563	775
White	5		48	670	1,221,860	853
Two or More Races	0		4		88,428	849
Socioeconomically Disadvantaged	125	694	383	692	2,779,680	737
English Learners	20	595	73	654	1,530,297	716
Students with Disabilities	24	550	63	525	530,935	607

### Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at <http://www.cde.ca.gov/ta/ac/ay/>.

### Adequate Yearly Progress Overall and by Criteria (School Year 2011-12)

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	Yes	Yes
Met Graduation Rate (if applicable)	N/A	No

### Federal Intervention Program (School Year 2012-13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Indicator	School	District
Program Improvement Status	In PI	Not In PI
First Year of Program Improvement	2006-2007	
Year in Program Improvement	Year 5	
Number of Schools Currently in Program Improvement	---	2
Percent of Schools Currently in Program Improvement	---	40

## XI. Instructional Planning and Scheduling

### Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance, and data reporting, etc.)?

Professional development throughout the El Tejon Unified School District is structured around the goals and objectives outlined in the school site's Single Plan for Student Achievement. Training and curriculum development revolves around the California Content Standards and frameworks, and is focused on student and teacher needs. For the previous three school years, two days were dedicated for staff development. During the 2008-09 school year, two staff development days were held, covering topics including:

- Differentiated Instruction
- Instructional Strategies for All Students
- Emergency Preparedness and Safe Schools

This year, the district's professional development focus will be on Data Analysis, Student Engagement, Analyzing and Increasing Rigor in Curriculum, and Formative Assessment to guide instruction.

Administrators have trained in Professional Learning Communities, and will guide teachers in working collaboratively on data analysis, improving student achievement, pacing calendars and grade level standards alignment.

The El Tejon Unified School District supports the efforts of all teachers—new and veteran—to gain the experience, knowledge and skills to be effective leaders in the classroom through a range of programs. Formative Assessment for California Teachers (FACT), a State-sponsored program, is designed for first and second year credentialed teachers and provides skills assistance and reflective practices that are implemented over a two-year period. All staff members— both certificated and classified—are encouraged to attend professional workshops and conferences. Opportunities for observations of best practices is promoted within the District, and at school sites outside of the District that are demonstrating success in closing the achievement gap for all students. New teachers, experienced teachers, teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Kern County Superintendent of Schools Office, as well as continuing education opportunities offered through local colleges and universities.
